Lincoln To Play Here Sunday In Season Closer

Mountaineers Pound Out 20 to 10 Win Over Nevada City

The Truckee Mountaineers pounded out a 20 to 10 win over the Athletics of Nevada City at the local park Sunday and thereby chalked up their fifth win of the season.

Next Sunday the league-leading Lincoln team comes here for a game at 2:30 o'clock. Lincoln beat Placerville 2 to 0 last Sunday and is tied with Wolf and Royer for first place with 13 wins and 4 losses. It will be the last scheduled game of the league season.

Truckee got away to a good start Sunday by walloping the offerings of Kosinski for six hits and five runs. The second inning was the only one in which the locals failed to get at least one run and a hit. Nevada City got two runs in the second. In the sixth they crossed the plate five times with four hits and came back in the seventh to get three more runs.

For the second time this year, Truckee played errorless ball, with everyone on their toes and working hard. Bill Conners was credited with being the outstanding player of the game with four hits, a triple, a double and two singles, in six times up, made three runs and batted in four and had seven errorless assists. He was awarded the prize offered by Johnny Richards of the Tourist Club.

Les Davidson and Johnny Rablin, two Truckee boys, were seen in action for the first time here, and both did a swell job, Les connecting three times in five trips and Johnny getting one for four. Both fielded in good style. Harvey Martin on first had a good day with two hits, four runs, 13 put outs and three runs batted in.

Five home runs enlivened the contest, with White, Martin, Baxter and Black making the circuit for Truckee and Kosinski homing for the visitors.

From a percentage standpoint, Mike Korich led the team, with three for four, two of them good for three bases. He played a tight game back of the plate and there was only one stolen base by the visitors. Thompson hit four for five for Nevada City and Childers got three for four.. Bill Black, pitching for Truckee, was hit 13 times while Truckee col-

Little, Baxter Attend P-N League Meeting

The directors did not vote on whether Truckee shall become a permanent member of the league following the year on probation but will make a decision next meeting, Little said.

There is a question whether the Placerville game, called off early in the season because of rain, will be played as a post season game, Little said, since all games are supposed to be played during the season. In the event the game is not played, Sunday's contest with Lincoln will mark then end of the current league season.

Delay Hunt For Body Of Victim Of River Mishap

Truckee Man Narrowly Escapes Same Fate During Search

Search has been temporarily abandoned for the body of Daniel W. Warner, 46, manager of the General Adjustment Bureau at Reno, who was believed drowned Sunday evening about 6 o'clock while fishing with his wife and Mr. and Mrs. George H. Hoffman, also of Reno, half a mile east of Hirschdale on the Truckee River.

Efforts of Deputy Sheriff Fosten Wilson of Truckee to recover the body Monday morning nearly cost him his life and the heroic efforts of Erving Waters, Truckee, probably saved him from drowning in the same spot where Warner disappeared.

Wilson, a good swimmer, had gone into the current to search the deep hole just below where the tragedy occurred when he was seized with cramps in both legs and was going down. Waters, with Constable N. F. Dolley who was directing the search, and the former's brother, Roy Waters, was on the bank when he saw Wilson in trouble. He plunged into the current without removing any of his clothing and gave aid. The deputy sank once but fought his way to the surface and directed by Dolley floated to a sandbar where Waters attached a rope to him and he was taken to shore.

Nearly a score of local men, including the Truckee Ski Posse, headed by E. E. Boehm and William Curran, E. C. McReynolds and many others searched until Tuesday night before finally deciding to wait a few days before renewing the hunt. Members of the Reno fire department also volunteered and aided the local crews.

Steve Kolos and Erving Waters made a trip from the scene of the disaster to Floriston in an air boat without results.

Warner was out in the stream fishing when he stepped into a hole and found he was in difficulty with his waders filled. Hoffman, seeing his plight, waded out and took his companion by the hand. Just as they neared shore, Warner slipped from his grasp and went under and was not seen again. Dolley was called and immediately organized a search which was continued until darkness prevented further work and resumed the search the following morning.

Warner, his wife and three children moved to Reno a year ago from Sacramento.

J. Guckert came along. Botts said he was confused by a nearby switch engine and failed to see the big mallet until it hit the front of his vehicle.

State Patrolman William Gautsche investigated and said Botts was not hurt.

When the voters of this area last spring voted 10 to 1 to form the Tahoe Forest Hospital District, they indicated they wanted a hospital. There could have been no other reason for the overwhelming vote. With this in mind the board of directors set out to fulfill this desire and lost no time in bringing the matter to a point where once again the voters are asked to endorse their previous decision by approving a bond issue to make possible the much-needed and long-sought hospital. The directors have worked hard and against handicaps in order to accomplish what they have done, and their work followed a prior six years of concerted effort by a committee on organization. We feel confident these efforts will be well rewarded on August 30th when the voters of the area to be served by the modern little institution will place their stamp of approval on the project with another landslide vote. Need for the hospital is seen almost constantly and it is most necessary. Even without the federal and state aid, which is given only where urgent necessity demands, this region should still go ahead with the program.

5,000 NEW FOLDERS SLATED TO BOOST TRUCKEE DISTRICT

Directors of the Truckee Chamber of Commerce at the meeting held at Sarge's Monday voted to have 5,000 two-color folders printed to advertise the area. The folders were prepared with elaborate pictures and drawings by William Porter and will be off the press some time this month.

The directors are also planning other advertising media for the area and ask that the potential members sign up and lend assistance to the program. Work on the proposed new signs is expected to start soon, the sites and materials having been secured.

The next meeting will be held at Goodfellows Coffee Shop Monday at noon.

No Increase Is Seen In Taxes For This Year

Highest Truckee Levy Will Be $4.90, Says County Clerk

The basic Nevada County tax rate has been set at $2.06 for the fiscal year, according to word received from County Clerk Ralph E. Deeble. The rate is subject to a public hearing on the proposed budget set for August 20 at Nevada City, Deeble added. Following the hearing the board of supervisors will weigh objections and then fix the definite rate.

The basic rate is composed of $1.47 for the general fund, 34 cents for salaries, 14 cents for junior college tuition and 11 cents for veterans buildings. This is the same rate as last year.

The rates affecting the Truckee area are as follows:

Tahoe Truckee School District, $3.72.

Truckee Sanitary District $4.23.

Truckee Fire and Sanitary District $4.90.

Truckee Fire District $4.39.

Donner Trails School District $4.24.

The above rates each include the $2.06 basic rate, Deeble explained.

Thunder showers failed to dampen the spirits of the more than 200 people who assembled at the Truckee baseball park here Sunday for the barbecue arranged as a benefit for the local ball club by Mrs. R. N. Little and Mrs. N. F. Dolley, co-chairman of the committee.

The food was excellent and served with dispatch by Chef Charlie Cozzi, who presided at the steak grill, and Mesdames Larry Baxter, Dulce Crockett, Mike Korich, Robert Luck and John Rau. Hospital Election Date Fixed For Aug. 30 In Area

Board Members in City Today Conferring on State, U.S. Aid

The directors of the Tahoe Forest Hospital District on Friday passed a resolution setting Tuesday, August 30, as the date for the $150,000 bond election which will determine whether the district shall have a long-desired, modern hospital to serve the needs of the area.

Two members of the board, President Charles R. Heller and Secretary Ted D. Barrett, today are attending a meeting in San Francisco with officials of the state health department to learn definitely just what share of the cost will be shared by state and federal agencies.

Assurance has been given that the Truckee share would be matched, one-third by the government and the other third by the state.

The bond election will be conducted at four precincts—Truckee, Kings Beach, Tahoe City and Donner Summit and the polls will be open from 7 a.m. to 7 p.m. A complete copy of the resolution will be found on another page of the Sierra Sun today, giving election officers and other details.

The election must carry by a two-thirds majority to permit the issuance and sale of the bonds.

A site in Gateway Park, half a mile west of Truckee, has been donated for the hospital by R. Joseph in memory of his son, Lavon Joseph, killed in the war with Japan. Architect George Sellon of Sacramento has drawn up the plans and specifications and these have met with the approval of the assisting agencies, Heller said.

The hospital, if authorized, will be a 12-bed structure, complete with modern surgical equipment, x-rays, kitchen, heating plant, medical and laboratory equipment and other facilities required for a general hospital.

The district was formed earlier this year and directors are Heller, Barrett, Ray Scott, James Sherritt and F. S. Sederberg. These directors have been holding frequent meetings in order to facilitate the program and prepare for early construction of the hospital.

Those of you who are interested in foreign affairs should have a talk with Borue O'Brien who has recently returned from a long sojourn in Arabia. He can tell you some mighty interesting stories of the customs and living conditions of other people. And, although the trip to and from was lively and full of change and the life over there was interesting to a point, some of you may decide after hearing a first hand account of conditions in other parts of the world that our good old USA is not such a bad place to call home after all.

Don Van Hooser suffered painful lacerations on one of his legs last Tuesday while playing in that old pit where too much rubbish has been dumped over in the woods just outside Kings Beach. A lot of you will remember that there has been talk of using that bit of earth to better advantage. As soon as our summer season is over, let's all get to work on that project. All of us, both young and old, need the type of place that could be made into. It could be a thing of beauty and usefulness instead of a hazard to children.

Little Jackie Van Hooser has had a growth removed from near his left eye. Dr. Keys is the attending physician. We wish you quick mending, Jack.

Mulford Miles continues to improve. We are all glad to see you on the mend, Mulford.

Sunday, July 31, the boys played the Sandal's Garage team of Sparks on our home field in Kings Beach. Bill hit the ball out of the lot for a home run, making the score 14 to 13. Those in the grandstands are still talking about the game. In spite of the thundershowers, a good crowd turned out. Edwards pitched half the game, relieving Bill Althof. Joe Dolce made his first appearance at this game and was immediately put into action taking up collection and selling pop. The boys want to thank Joe for his very valuable services.

Monday, August 1, North Tahoe played The Tropics from the south end. This was a Civil War game with the North defeating the South by 6 to 2. Our North Tahoe boys now have the lead in the league. There were many spectators from the North end which encourages our boys to keep up the good playing.

Berkeley Nuptials Of Young Tahoe Pair Is Surprise to Friends

TAHOE CITY— Coming as a surprise to their friends at Lake Tahoe was the wedding of Miss Carolyn Sturgis, daughter of Mr. and Mrs. Ralph Sturgis of Tahoe Park, and Oliver Henrikson, son of Mr. and Mrs. Harry Henrikson of Lake Forest. The ceremony was performed in the Little Chapel of the Flower in Berkeley Sunday, where the couple had been visiting friends. Their attendants were Mr. and and Mrs. Charles Henrikson of Lake Forest, brother and sister-in-law of the groom.

A honeymoon is being enjoyed by the just-weds in southern California and Carmel. The bride plans to complete her high school studies this fall. The groom is associated with his brother in a cement, sand and gravel business and graduated from Tahoe schools before attending University of Nevada. They will make their home in the Lake Tahoe region.

Tahoe Letter

FROM SWANEE

Tahoe City, August 1

Dear Tahoeites:

The weather is superb, although thunder and lightning threatened to bring rain last week. Only a few drops fell in this area with some showers reported in the mountains.

Learned this morning from Charlie Cross that his wife is planning to return to Tahoe the end of this week. She is now in Traction at Peralta Hospital in Oakland and an operation will not be necessary at this time, according to her doctor. She will however have to wear a brace for a year or more and surgery may be found necessary at the end of that time. Best of good wishes are sent her by all her sympathetic townsfolk.

Down Big Chnef way Terry Tollefson is making steady progress toward robust good health once more. His is a trying ordeal but back in his beloved mountain home with friends and family close by his progress is noticeable.

Want to remind those planning to enter the Lake Tahoe Championship swimming races at the Tahoe Tavern that the date has been changed from August 7 to August 6 and over 100 entrants have already signed up for this event. Entries must be in by Saturday noon with Harry Pierson.

Mr. and Mrs. Raymond Lewis and daughters and Mr. and Mrs. William Stevenson left here on Tuesday last for North Conway, N.H. The Stevensons had operated a photo service here and Lewis was an instructor in the Truckee high school but had to quit teaching because of his health. Plans of the two families are not yet definite but they will reside together at the New Hampshire home of the Stevensons where Lewis may secure a teaching post in one of the state's colleges. Accompanwing them is Harry Rosenberg of Exeter, brother of Mrs. Lewis, and Poo, the Lewis' French poodle. Gus, their German shepherd, will remain with her mother, Mrs. E. Rosenberg, on her Exeter ranch.

The hand of friendship was extended ast Thursday afternoon to 35 representatives of 21 nations attending the international service seminar at Lake Forest by members of the Women's Club of Tahoe. Don Huff of Homewood Resort offered the use of his hotel for the afternoon, during which Mrs. Louise Geier and Mrs. Vera Frazier poured tea and served cookies. Eighty were present and Mrs. Maizie Carnell, vice president, presided in the absence of Mrs. Jeannette Mitchell who is visiting in Los Angeles for several weeks. The afternoon was spent in listening to impressions of America expressed by the guests, each introducing themselves and giving a short talk. H. Thomas of Panama entertained with several of his own piano compositions which were greatly enjoyed by the gathering. Club members provided transportation.

Mrs. Lyman Wm. Griswold Jr. (the former Pat Henry, daughter of the A. M. Henrys of Tahoe City) is vacationing here while her husband, a Navy pilot, is flying the Berlin airlift. She left Wahington, D.C., on Friday noon and arrived here July 27 in time to celebrate her birthday with members of her family here. Mrs. Jean Henry baked a beautifully decorated cake for the occasion. Pat and Alice Sigirdsson, her ents, the Henry Solls of Tahoe Pines from her home in Iceland, enjoyed a 40-mile horseback ride into Rubicon Springs and Buck Island Saturday where they visited the Victor Wikanders at their schoolmate visiting her own par- secluded summer home at Buck Island Lake before returning.

New residents in the Bittencourt tract here are Mr. and Mrs. Ed Brownstone Jr. of San Francisco. She is the daughter of Mr. and Mrs. G. D. Waters and the coupl will occupy the Waters cottage. Brownstone will serve as assistant to Waters and his wife will assist her mother in the office.

Good luck, good health and the best of good wishes to you all, as ever, Swanee.

RESOLUTION OF THE BOARD OF DIRECTORS OF TAHOE FOREST HOSPITAL DISTRICT ORDERING, CALLING, PROVIDING FOR, AND GIVING NOTICE OF A SPECIAL ELECTION TO BE HELD IN SAID DISTRICT ON TUESDAY, AUGUST 30, 1949, FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED ELECTORS OF SAID DISTRICT A MEASURE TO INCUR BONDED INDEBTEDNESS FOR CERTAIN WORK AND IMPROVEMENT

WHEREAS, Tahoe Forest Hospital District of the Counties of Nevada and Placer, State of California, needs to acquire, construct and maintain a general hospital, and in the opinion of this Board of Directors a special assessment for said purpose would be inadvisable, and the expenses of such operations will be in excess of an amount which can reasonably be raised by the regular annual assessment for the running expenses of the District, and the public interest, convenience and necessity demand and require that bonds be issued for said purposes,

NOW, THEREFORE, the Board of Directors of Tahoe Forest Hospital District DOES HEREBY RESOLVE, DETERMINE AND ORDER, as follows:

Section 1. That the public interest, convenience and necessity demand and require the acquisition, construction and maintenance by said District of certain work and improvement set forth in the following measure, to wit:

MEASURE:

Shall Tahoe Forest Hospital District incur a bonded indebtedness in the principal amount of $150,000 for the purpose of the acquisition, construction and maintenance by said District of the following improvement, to wit: A general hospital, including land, rights of way, grading, heating and lighting facilities, sewer plant and facilities, furnishings, surgical, medical and laboratory equipment and facilities, and other works, property or structures necessary or convenient for a general hospital for Tahoe Forest Hospital District?

Section 2. Tavern Swim Tourney Date Is Changed to Saturday, August 6th

TAHOE CITY— The date of the Lake Tahoe championship swimming races at Tahoe Tavern has been changed from Sunday, August 7, to Saturday, August 6, according to Harry Pierson, in charge of registrations. All entries must be with him not later than noon Saturday. Over 100 swimmers from all section of the lake are entered.

The day's events will start at 10:30 a.m. with water skiing exhibitions by Bud Scott's group in front of the Tavern pier. At 11:30 Fran Smart, Tavern tennis pro, has arranged matches on the resort's courts by a number of outstanding names in the tennis world. At 2 p.m. the swimming events will get under way. Gold and silver medals and ribbons will be awarded winners of events, according to classification. At 3:30 at the pool Pierson's unique aquacade will be presented by Tavern lovelies to the music of Al Wallace's band. All events are free of charge and the public is invited to attend.

Another Roos Bros. Shop fashion show will be given at the Tavern Friday afternoon at 3:15 and a barn dance will be featured in the Casino Green Room that night.

The Thursday night amateur shows are still drawing record crowds to the Green Room where Al Wallace's music is featured nightly. Winners of last week's show was Evelyn Schuck, vacationing violinist; second place went to Aileen Micklish, Tavern songstress; third to Shelly Butterfield, 12-year-old vacationist, who gave a skit; and fourth to the Ladies Auxiliary of the Tavern, a trio of waitresses.

Union President Denies Strike Action Taken

LAKE FOREST— Sam Goss, president of Local 2035, carpenters union AFL, this week denied that there was any strike action taken by the union over a proposed five cents an hour wage increase. Furthermore, Goss said, there is no such action contemplated.

An erroneous statement circulated last week was without foundation, Goss said. The carpenters are negotiating on differences but work is continuing according to schedule, he stated.

Dollar Triumphant On Eastern Speedboat Courses During Week

Stanley Dollar Jr., commodore of the Lake Tahoe Yacht Club, Monday made a clean sweep of the Harmsworth Trophy speedboat races in Detroit to all but assure that the international trophy will next be defended either at Lake Tahoe or San Francisco.

Traditionally, defense of the $5,000 cup goes to the home club of the owner which last claims it. The trophy has been in Detroit for the past 28 year. Detroiter Jack Shafer's Such Crust and the Canadian entry, Miss Canada IV, trailed Dollar's Skip-A-Long of California all through the meet except on one lap.

In a 100-mile marathon event, Dollar won by 11 miles. His triumphs in the Harmsworth and marathon were added to an impressive list of other victories on his invasion of eastern racing courses. Other notches in his victory belt include the Detroit Memorial, the Percy Jones Regatta and a second in the Gold Cup race.

The Tahoe entry was the first winner from the Pacific Coast in 46 years of the running of the Harmsworth event.

Mr. and Mrs. M. A. Lopes of San Leandro are enjoying a vacation at their Timberland home.

Post Office Name to be Changed From Tahoe to Tahoe City Oct. 1

TAHOE CITY— Postmaster Oliver Corona received a letter from V. C. Burke, first assistant postmaster general, informing him that effective October 1 the local post office will be officially known as Tahoe City and not Tahoe, as now listed on government maps. Residents of this area have long been trying to have this change made as the situation is confusing, especially to new residents of the area. Corona is requesting residents to instruct correspondents to address all mail in this manner and a re-education of the general public will be attempted.

On Friday Corona had installed in the front of the post office building a regulation street type letter drop on the outside of the building in accordance with a ruling that the post office shall be locked nightly at 10:30 p.m. Mail can be dropped in the letter slot in the post office up to that hour but from then on must be mailed in the outside drop.

Corona says the new arrangement will not interfere with the use of the community hall upstairs.

Daughter of Tahoeites Married Saturday In Outdoor Chapel Rite

TAHOE CITY— Juanita Jean Mahaffey of San Francisco, the daughter of the G. D. Waters of Tahoe City, was married at two p.m. Saturday in the Outdoor Chapel by Bishop Noel Porter to Solomon Milton Eason on San Rafael. Matron of honor was Mrs. Thomas McGruder of San Rafael, cousin of the bride, and her attendants included her sisters, Mrs. Ed Brownstone Jr. of Tahoe City and Miss Gerry Waters of Dallas, Texas. The latter Sunday returned to duty at the Methodist Hospital in Dallas. She vacationed at the Waters home here throughout July.

A reception followed the ceremony in the St. Nicholas Chapel where 80 guests watched the bride and groom cut a beautiful three-tiered wedding cake. Many lovely gifts were received by the couple who will make their home in San Francisco following a honeymoon in the Pacific Northwest. A second reception and cocktail hour was held at the Waters home where a large number of bay area guests were entertained later in the day.

Another guest from Dallas was eight year old Michael Mahaffey who returned with Mrs. Waters from her recent visit in Texas to spend a month at Tahoe.

Summit Scene

by FRAN COUILLARD

We have mentioned the clearing of the Soda Springs Ski Hill several times and now definite information comes that a double chair lift is to be installed on this, the oldest ski hill in northern California. The Snowflake warming hut and coffee shop is also undergoing a reconstruction job. If the amount of money expended this year between Donner Ski Ranch, Soda Springs Ski Corporation and the Squaw Valley project is indicative of the amount of business anticipated from snow sport lovers, think more accomodations should be thought of too. The Winter Sports committee which functioned so successfully last season will meet again shortly to plan next winter's program.

The Northern California Peace Officers Association, which met at Donner Summit Lodge last weekend, brought guite a number of dignitaries to the area. State Senator Harold (Bizz) Johnson was keynoter of the party and gave a fine talk on juvenile delinquency. He pleaded with the group to give thought and time to ocal organizations which are putting forth effort toward the correction of juvenile problems. His fine talk was attentively listened to and after the luncheon we noted several of the group had another round table discussion with the Senator.

From political to home spun, we switch to Helen McCarty's Snowy. Ray McCarty, sitting on a log watching the PG&E boys fell trees, heard a sharp squeal. Following the sound he found and picked up the limp four inches of Snowy, a tiny baby snowshoe rabbit. Helen keeps the bunny wrapped in a piece of outing flannel, pushes an eye dropper of warm milk through his clenched teeth periodically, exercises him on the front lawn and definitely recognizes a personality in him. "He bats the air like a kitten, washes his face like a kitten and is the cutest think ever held a breath of life," Helen says. As Helen is our local naturalist and can tell the habits of all the animals and wild life that abound around her beautifu home, loves animals in any shape or form.

We saw the Ray Kronemeyer family at the Soda Springs Hotel a few days ago. The Bender family spent a week at Donner Summit Lodge.

With regret we learn that Helen and Helmer Bergman leave the mountain. With pleasure we learn that they are going into business for themselves but we all will miss them. Watsonville bound, they plan to take over a service station in that area. We were invited to a cocktail party given to bid them goodby formally. The party for the Bergmans was given by Ernie and Day Tschopp at Rainbow Tavern and the number of people who attended gave evidence of the number of friends this popular couple have made during their years on the Summit scene.

Regular Community Club meeting held recently ended in the usual folk dancing orgy. At the club we learned that the Donner Trail Elemntary School was given $1,000 for playground equipment. Also at the meeting a motion was made to incorporate the Donner Sportsmen into the Community Club. Speaking of folk dancing, while all the area is learning the polka, schottische and hambo and the rest of them, Margot and Ernie Nordstrom carry on with the group every Thursday night at Ski Hi.

Beacon Hill Lodge: Managed to get in to visit with Elmo Moriano for a few minutes. Noted that a great deal of work has gone on since we were last there in the excavation that is to be the Beacon Hill swimming pool. Elmo hadn't intended finishing the job this year but he now is consulting with engineers on the problem of installing a heating system in the pool and finishing the job. Elmo has adopted his PG&E crew and intends to throw them a party next Saturday evening—orchestra and the works. The folks will be invited to help entertain the boys.

Soda Springs Hotel: By the number of riders passing our place each day we think that Lonnie Goss' horse string is much in demand this year. We hear of moonlight rides originating from the hotel. These rides usually go out Ice Lakes way and the number of mountain folks, tutored by Muriel Jones in the art of keeping astride a horse, is increasing. Muriel's annual birthday party which we all look forward to each year was bigger and better this year. Forty guests seated themselves at a delicious duck and wild rice dinner last Saturday evening. Truckeeites included Tom and Gladys Dolley while from Reno came Ray and Margaret Kronemeyer, from Auburn Lee and June Forrester. A goodly sprinkling of mountain folks, stacks of birthday presents, sparkling burgundy and dancing made the party a huge success.

Donner Summit Lodge: Truckeeites predominated at last Saturday night's Smorgasbord. We saw Tom and Ethel Buell, Dick and Lucille Little, O. G. (Red) Alexander and his vivacious red headed wife entertaining a group on Red's birthday holding down the private dining room, all from Truckee. Seated at a lone table by the window we noted Harry B. Smith and Dave Ohman of the San Francisco Chronicle. Smith, a noted sports writer who was an arden fan of "Short Legs" Donadio of the lodge, made the trip up to visit "his boy, Tony." Lyle and Mary Hansen (he is director of the Central Sierra Snow Lab) also celebrated his birthday and we listened to the Anniversary Waltz being played for Homer and Gussie Hixson of Truckee. Thirty members of the Viking Ski Club work party feted one of their members whose birthday fell in the midst of their work. The table decoration dreamed up by Maureen Brown of San Francisco was unique and decidedly chic. Directors of the Mormon Church held their second convention at Donner Summit Lodge this past week, having part of their meals at Ice Lakes Chalet where they quietly held their conference. Peeked out the window and saw Betty Horak astride her mare for the first time this year.

Ice Lakes: Bill Rutherford's Sunday afternoon barbecues are getting bigger each weekend. Last Monday evening Bill and Rita Vail chose Ice Lakes for the rendezvous of their wedding party. Seems like the group that attended the wedding all happened to be in the area at the same time so a small banquet was in order.

Good and Bad: See Jean Buek wearing a beautiful engagement ring. She and Billy Campbell plan a home on Donner Lake. We mourn with Al and Irma Ledgerwood over the deaht of Happy, their little wire haired terrier. We laugh with Mrs. Lois Hack who mourns over the Girl Scouts who infest her cabin at Kingvale and by that ambiguous statement hangs a tale. Mrs. Hack's cabin was completely snowed under this past week with members of four different troops from the North Sacramento area and their parents. A huge truck loaded with green apples decided to turn over nearby and several Girl Scouts were seen looking as green as the apples they ate. Nevertheless, the reason for the group coming to the mountains was accomplished for the flag they brought to dedicate to the new Truckee troop was successfully dedicated. To the good was the fishing trip indulged in this past weekend by John Carl, Kay Jensen, John D'Arcy and Virg Misener. They treked into the back country and came out with a fine mess of trout. Bad is the news that Donna Mink is limping from running a nail into her foot. Astounding is the report that $75,000 is going to be spent on the double chair ski lift on the Soda Springs hill. Looking out the windows of Beacon Hill Lodge we see the huge saws cutting away the timber for the new ski run. We are awakened in the morning by the blasting that is being done to make this one of the finest ski hills in the country. Bud Walton, just returned from a flying trip to Washington, D.C., reports bigger and better developments on the Donner Ski Ranch. The Audubon Society keeps Gordon and Louise Hooley tied up back in the Sugar Bowl and we haven't found out about rumored improvements in this famous place. With regret we hear that Keith Lummis of the Sierra Club has returned to government service. Enid Lovett has taken over for the summer season. In that same region is the Cal Ski Club which had a celebration last Saturday night.

My Place In the Sun

by DOUG BARRETT

Belle of the Barbecue last Sunday was tiny week-old Gail Elaine Englehart who held court as the line of friends formed at the right of the family car and oohed and aahed as they filed past the window.....The winsome Miss took it in her stride.....and her expression showed confidence that the Mountaineers would win out for her first home game .....Manager Larry Baxter really had some of those beefs coming on calls at first.....or at least that's what the first base bleacher rooters said.....Keeping up the morale of the county seat ball club was their county supervisor and former sheriff, Carl Tobiassen.....Saturday we saw someone's pet duck on the webs, waddling down the street at a rapid pace behind its small mistress.....taking the canine population by surprise.....Willie Curran telling Tom Borneman, our game warden, not to worry about his getting more than a limit of trout.....What with numerous forest fires and other duties, Willie barely has time to sleep and eat.....It is like turning back the calender to see Carl Smith striding along with his stogy steaming.....Tom Dolley is a valuable man on a grass or forest fire.....when he can't get his hands on any tools, he stamps 'em out with his feet.....Note the attractive new pink plastic relief signs at the entrance to the Sierra Tavern.....Earl Stice looking like a track star while chasing a little girl who wandered too far from her mamma.....Ethel Buell sets a grueling pace up the hill toward home.....Howard Snider holding the ladder while Bud Owens hangs by his knees on a cross iron working on the Pastime Club's big neon.....

Roland James Kerley, 30, alias Marvin Kerr, who had been employed with a Southern Pacific crew on Donner Summit, will face a preliminary hearing before Justice of the Peace R. N. Little here this afternoon on a charge of auto theft. Kerley is accused of taking the car belonging to Arthur Couillard after replacing the license plates with others from a nearby machine.

Tarzan

by EDGAR RICE BURROUGHS

AS HE WALKED BETWEEN THE ONONOES, TARZAN NOTICED THAT THOSE ON EITHER SIDE OF HIM ROLLED IN SUCH A MANNER AS TO KEEP HIM CONSTANTLY IN SIGHT. SINCE OMOLOS, THE ONONOE CAPITAL, WAS THE DESTINATION OF HIS CAPTORS, AS WELL AS HIS OWN, HE MADE NO ATTEMPT TO ESCAPE.

THAT NIGHT HE LEARNED FROM THE LEADER THAT MANY ONONOES SPOKE THE TREE-MAN LANGUAGE THOUGH IT WAS NOT THEIR OWN TONGUE.

NEXT MORNING, AS THE CARAVAN MOVED ONTO THE PLAIN, TARZAN GLANCED UP. HIGH IN THE TREES A DARK SHADOW APPEARED FOR AN INSTANT, THEN VANISHED IN THE DENSE FOLIAGE.

"WOLO, THE TREE-MAN!" TARZAN MUSED. "THE TIME MAY COME WHEN I WILL NEED HIS HELP!"

ROUNDING THE BASE OF A RUGGED HILL, THE PARTY CAME UPON THE APPROACH TO OMOLOS, THE WALLED CITY OF ONONOES.

IT APPEARED BLEAK, GRIM, AND IMMEASURABLY FORBIDDING.
